A Message from our Board Chair

Welcome to tonight's Charity Gala Ball 2026 Together Central West

On behalf of the Board, myself and the staff and the many dedicated volunteers of the Orange House & Dubbo & Bathurst Hospitality Cart program, I extend our heartfelt thanks for joining us this evening.

For more than a decade, our Gala Ball has been the centrepiece of our annual fundraising efforts. We are incredibly proud to share that every dollar raised tonight remains right here in our local community.

The funds raised directly support families staying at Orange House during some of the most challenging times in their lives, as well as families receiving support through our Hospitality Cart Programs at Dubbo and Bathurst Hospitals.

The contribution each of you has made by attending the Ball, and assisting with our fundraising will make a real difference in the lives of families, at a time when they are facing one of the most daunting experiences of their life – having a child who requires urgent medical or psychological treatment.

Our Ronald McDonald House Central West House in Orange is in many ways unique. Half the nights provided free of charge since we opened have been for families who have a child, or adolescent experiencing a mental health crisis requiring urgent intervention and treatment.

During these challenging and uncertain times, Orange House becomes much more than accommodation. It provides families with a place of comfort, support and connection, allowing them to remain close to their child and focus on what matters most: their family's wellbeing.

We treasure our beautiful connections with these families, who often come back to visit and send us photographs of their babies and children once they have returned home to a normal life.

Of course, tonight would simply not be the wonderful success it is without the generous support of our sponsors. Your commitment to helping families of sick and injured children enables us to continue providing care, comfort and practical support when it is needed most.

We deeply value our partnership with each of you and are sincerely grateful for your ongoing generosity, trust and support. On behalf of the Board, staff, volunteers and the families we serve, thank you for standing with us and helping make a meaningful difference in the lives of local families.

A handwritten signature in black ink, appearing to read "Ray Miller".

Ray Miller

#TogetherCentralWest #KeepingFamiliesClose

A Message from our Executive Officer

We're proud to celebrate 11 years since opening Ronald McDonald House Central West NSW

Thank you for sharing this special evening with us.

Your generosity, compassion, and belief in our cause help transform lives every day. Thanks to your support, we can continue strengthening families, supporting communities, and making a meaningful and lasting difference.

Since opening our chapter, we have supported 2,096 families, providing an incredible 15,667 nights of accommodation. This has delivered accommodation savings of more than \$2.3 million to families who should never have to worry about the cost of being near their sick child.

Behind every one of those nights is a family's story. A parent sitting beside a hospital bed. A newborn requiring specialised care. A child undergoing treatment far from home. Every night we provide means one less burden and one more opportunity for families to focus on what matters most: their child's health and wellbeing.

Our support doesn't stop at accommodation. Through our Hospitality Cart Program, we bring care directly to families at the bedside in the Paediatric Ward and Special Care Nursery. Our volunteers provide refreshments, snacks, essential items, and, perhaps most importantly, a friendly conversation and a listening ear. For parents spending long days and nights in hospital, these simple acts of kindness can make a world of difference. They provide comfort, connection, and a reminder that they are not facing their journey alone.

From our family to yours, thank you.

Rebecca Walsh
Executive Officer
Ronald McDonald House Central West NSW
#TogetherCentralWest

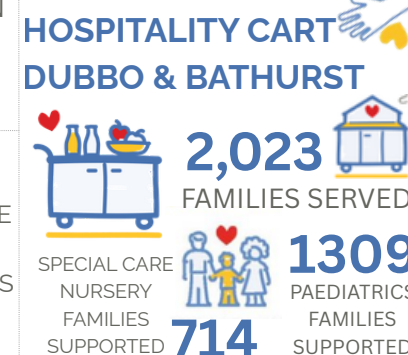

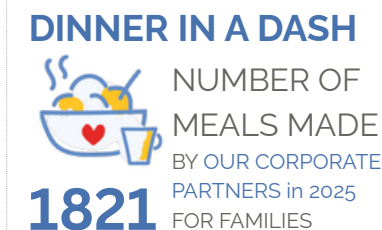

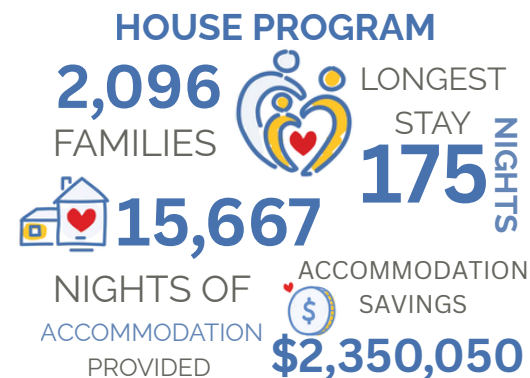

Let's come together tonight for families with ill and injured children in our region

With your help they can stay together and close to treatment when they need it most

We've worked hard to serve families in our region over the last 11 years, since opening the doors in April 2015. Behind every number and statistic represented here there is a story - a family with a sick or injured child, a Volunteer, a community of people who care for others.

Silent Auction

There's something for everyone in our Silent Auction with over 50 fantastic items up for grabs! View all the items and place your bid on your phone thanks to GalaBid. To get started, head to page 18 to register and browse the items.

Bidding closes at 10pm tonight - don't miss out!

Families need us - and we need you.

Tonight, you're helping keep families together and close to treatment at Ronald McDonald House Central West NSW.

Healing is helped when families can all be together, supporting each other.

Thanks to your generosity, we're able to...

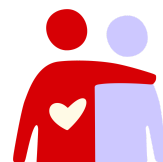

Provide a 'home away from home' for families at our House in Orange when they need to travel for treatment for their sick or injured child, as well as mother's diagnosed with a high-risk pregnancy.

Support families at the bedside of their child or infant in the Paediatric Ward and Special Care Nursery at Dubbo Base Hospital and Bathurst Hospital through our Volunteer led program.

Provide 'wrap around' services for families when they need it most - meals while they stay with us or visit utilising our 'Day Pass' program, essential items at their child's bedside on the ward, and a place to stay in Orange on Hospital grounds, within walking distance to Maternity or their child's ward.

Every program we offer families with seriously ill children can help to ease the financial burden they may be experiencing during a difficult time.

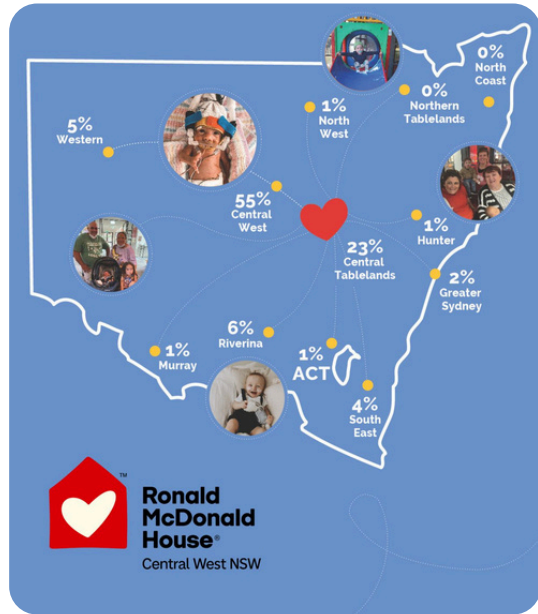

Since opening we have been able to save families in our region \$2,350,000 in accommodation alone.

Together we help families stay at the heart of their child's care.

Holding families together when it matters most.

Where do our families come from?

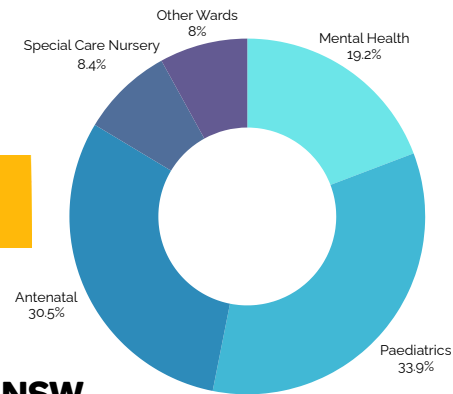

We support families who are predominantly from the Western NSW Local Health District, which is the largest LHD in NSW.

Since opening in 2015 we have supported over 2,000 families from across NSW at our House in Orange, and over 1,400 families at their child's bedside in Dubbo Hospital.

The accommodation we have provided families equates to a savings of over \$2,350,000 if Ronald McDonald House wasn't available whilst their child, infant or mother experiencing a high-risk pregnancy needed medical care in Orange.

Breakdown of the Hospital Wards Treating Children of Families Staying with Us in Orange

What we do at Ronald McDonald House Central West NSW

We provide **free accommodation and wrap-around support** for families who need to travel to Orange so that their child aged 18 and under can receive medical treatment. Our purpose built house is located on Hospital grounds, allowing families to stay together and close to treatment when it matters most.

Our Volunteer led Hospital Cart program in **Dubbo and Bathurst Hospitals** supports families with ill and injured children and infants at their bedside in the Paediatric Ward and Special Care Nursery.

This year we have launched our **'Day Pass' program** which gives families access to our House in Orange to utilise the facilities including nutritious meals and family laundry so that can have time away from the Paediatric Ward and Special Care Nursery to recharge.

Our Event Partners

Thank you to our incredible Event Partners for helping to create this special evening with us

Together, we help families stay at the heart of their child's care when they need it most.

We're here for Families

HENRY

New parents Lou and Garry, from Parkes, have been on a rollercoaster ride since the birth of their son, Henry, in September 2021. Born at 24 weeks, during the Covid pandemic, Henry weighed just 560 grams.

"Having a premie baby is a long journey and we didn't always know where we were going to end up, but it's been made a lot easier with Ronald McDonald House and the staff and volunteers."

Through the pregnancy, birth and infant years, the Ronald McDonald Houses in Orange, Newcastle, and Westmead have been a 'home away from home' for Gary, Lou and Henry.

"There's a lot of unknowns and they've made life a lot easier for us at a very unsure time" said Garry.

Staying at Ronald McDonald House "eases financial pressures and the physical toll of having to be a distance away. Just having the support network around who get to know your story, and you, is so helpful."

BALIN

When Mick and Jacinta heard they could access vital care for their son Balin in a mental health unit at Orange Hospital, they jumped at the chance and drove almost 8 hours from their home close to the Victorian border.

The stressful decision to leave their region was made easier knowing they could stay nearby at Ronald McDonald House Central West in Orange.

Staying at a Ronald McDonald House while Balin received specialist care, was a relief and comfort for the family.

"I was spending 12 to 15 hours a day in the unit with Balin to support him and if I hadn't been able to access one of those wonderful home cooked meals, I know late at night I would have just driven to a petrol station to pick up what I could," Mick said.

"Being here is a therapy in itself and we are just so grateful to everyone – the staff and all the volunteers,

There is everything here we could possibly need, and more"

JULIEANNE

"To every one of the volunteers at Ronald McDonald House in Orange where do I begin... I'm so grateful for what each and every one of you, for all have done for me and my little family.

I don't know how I would have coped without you. Your amazing smiles, and hard work - you all are absolutely amazing people. We are so grateful especially for the yarns and getting to know you all.

Being at Ronald McDonald House was a home away from home. You made us feel so welcome - took us in with big open arms and beautiful smiles.

It was one of the toughest times for our family but somehow you all found a way to care - whether it was just a smile or a wave, it made the pain go away. You all deserve gold medals and you don't know how much you guys change people's lives.

Thank you so much for everything you all have done - I will never forget it

Love always - Julie and her little family from Condo"

Our Special Guests

Laken, Kristy and Sawyer

When Home Is Three and a Half Hours Away Laken, Kristy and Sawyer | Lake Cargelligo, NSW

For Kristy and Laken, preparing to welcome their first child already looked a little different.

Living in Lake Cargelligo meant travelling three and a half hours to Orange for the specialist care Kristy needed during her high-risk pregnancy.

Ronald McDonald House Central West – Orange became a familiar stop along the way – somewhere to sleep before appointments, share a meal and be welcomed by people who understood the realities of being a rural family far from home.

At the time, Kristy and Laken weren't sure they belonged there. Their baby was doing well. Around them were families facing serious illness and injury, and they often found themselves thinking, someone else needs this more than we do. Then, at 37 weeks pregnant, everything changed.

Within hours, the distance between Lake Cargelligo, Orange and Sydney would take on an entirely different meaning – and so would Ronald McDonald House.

What had once simply been somewhere to stay became something their family could never have anticipated needing. It became safety in the middle of uncertainty.

Familiar faces when everything else felt unfamiliar. A place where family could remain family, even when circumstances were pulling them apart.

Tonight, Kristy and Laken share the story of the arrival of their son, Sawyer Lance Picking, the extraordinary people and communities who carried them through, and the House in Orange that became part of their family forever.

Because sometimes, keeping a family close changes everything.

Help us support families from our community - with your help they can stay strong, connected and close throughout their child's health care journey. Your donation stays in our community and will help families stay together, relieving their financial burdens whilst getting the care they need for their sick child or mother experiencing a high-risk pregnancy.

Kelsie Rose Creative Original Art Work

Renowned local artist Kelsie Rose grew up on a farm between Forbes and Condo with her parents and siblings and now lives in the beautiful colour city of Orange.

Kels loves to paint semi abstract florals and landscape artworks which can be easily identified as hers due to not only the style and colours but also use of products. You will be able to identify Kelsie's artworks by the deliciously thick texture.

We hope you enjoy Kels's artwork as much as she loved creating it.

Valued at \$3,980

Kindly donated by Kelsie Rose Art

Thank you to our Founding and Forever Partner

McDonald's support helps grow Ronald McDonald House impact around the world

Ronald McDonald House was founded in 1974 in the USA as a result of the foresight of Dr Audrey Evans, an oncologist at the Children's Hospital of Philadelphia. She envisioned a place where families could live and get proper rest away from the ward while their children were undergoing treatment.

Funds to bring this vision to life and build the first House were raised by the local McDonald's restaurant, and in exchange for their support, it was named 'Ronald McDonald House'.

The first Ronald McDonald House in Australia was opened in Camperdown, NSW in 1981, providing a much-needed home away from home for families with ill or injured children. Today, McDonald's remain committed and passionate about supporting Ronald McDonald House, now and into the future.

McDonald's has been at the heart of Ronald McDonald House's work in Australia, providing:

- Financial contributions to keep our Programs running.
- Volunteer support from crew and franchisees nationwide.
- Fundraising efforts across McDonald's restaurants in Australia.
- Our biggest annual fundraiser, McHappy Day.

Their commitment to Australian families has made a profound impact, and their partnership remains essential in helping us provide the care families need.

McDonald's is the charity's first corporate partner and advocate, earning the designation: "founding and forever partner." From the moment we opened our first Ronald McDonald House in 1974, McDonald's employees, franchisees, suppliers, and customers worldwide have shared donations as well as their talent & time to support the Ronald McDonald House mission.

McDonald's commitment to serving communities has helped Ronald McDonald House positively impact millions of families and expand core programs and services throughout the world. Whether through direct donations, in-kind services, volunteering, or advocating on behalf of Ronald McDonald House, McDonald's has lived their values and helped Ronald McDonald House serve even more families with children who are ill or injured.

Our house, Ronald McDonald House Central West NSW opened for first families in 2015 with the generous support of our Founding and Forever Partner and the franchisees of the Central West.

In 2024 we launched our Hospitality Cart inside Dubbo Hospital, and in June 2026 our Cart Program opened in the Bathurst Hospital. We are now in the planning phase for a Cart at the Orange Hospital

MANILDRA GROUP

As a world-class advanced manufacturer of premium Australian food and industrial products, Manildra Group is proudly 100 per cent Australian owned, and is headquartered in Sydney, New South Wales.

Backed by more than seven decades of sustainable growth in diversified value-adding to Australia's rural and regional industries and communities, our global agribusiness began from a single flour mill, in the central west township of Manildra, in 1952.

The largest in Australia, Manildra Flour Mill today operates round-the-clock, among our state-of-the-art regional manufacturing facilities employing more than 1500 local people, with the support of thousands more working across our value chain.

In trusted partnerships spanning generations of farming families, Manildra Group locally sources Australian wheat, sugarcane and canola to manufacture the highest-quality staple and specialty ingredients.

BLACK PEN LENDING

Black Pen lending (formerly PMFinance) commenced in 2013. Initially established as a one-person business, Black Pen Lending has grown to a team of 5 with a combined industry experience exceeding 60 years.

Education, structuring, and service is what we set out to achieve with our clients. Service beyond settlement is extremely important to us as this set us apart from the banks.

Working closely with the client's team (solicitor, accountant and buyer's agent for example) ensures a great experience and outcome. It's all about supporting our clients through the overall process and assisting them in making better investment decisions.

Be it buying their first home, an investment property, downsizing, purchasing via your super fund, buying a car or assisting you with your business finance needs, we have a solution for all scenarios.

www.blackpenlending.com.au

GJ GARDINER HOMES

Welcome from everyone at your local G.J. Gardner Homes Orange team. Whether you are looking for an all-inclusive home and land package, knockdown-rebuild, single storey, acreage home, investor package or a home to downsize to, we can look after any kind of building request.

As your local home builders in Orange we know everyone wants something different, so we specialise in building custom style homes for all styles, sizes and budgets and offer a range of home designs.

Our new home consultants can help you choose a design out of our extensive selection of home floor plans and customise it to add your own personal touches. Along with our ability to offer a range of customisable home options, with an exceptional communication plan, every home we build will come with a competitive fixed term contract.

MAC ELECTRICAL

M.A.C Electrical Services & Installations has everything you need in a master electrician. We take pride in delivering exceptional service, workmanship and knowledge.

Our initial focus was to service Orange and surrounding local area with the vision to provide NSW with a quality and reliable service. Rapidly growing, we are now proving ourselves to be one of the Central Wests most reputable, go-to electrical contractors.

MAC Electrical electricians provide the full range of data and electrical services to all types of domestic, commercial, industrial and government customers throughout Orange, NSW and the Central West.

Every MAC Electrical Electrician on our team receives regular training, is fully qualified, experienced, licenced, and insured to ensure you get the best, most up to date service possible. With a wealth of knowledge, skill and experience that can cater for all your Commercial and Domestic Electrical needs.

CHILL-RITE DAIKIN

Built on Experience, Growing with Purpose

Founded in 2010 by Luke Robinson, Chill-Rite Refrigeration & Air Conditioning began as a small, local operation in Dubbo, where Luke, a skilled refrigeration mechanic and electrician, saw an opportunity to provide high-quality services in a region with growing demand. At just 25 years old, Luke purchased the business, laying the foundation for a company that would soon become an industry leader.

From its humble beginnings with just five staff members, the company has evolved into the largest and leading air conditioning and refrigeration company west of the Blue Mountains, and with its continued expansion, it is poised to make a significant impact across Australia.

"Our name is all we have; reputation is everything."

AUSTRALIAN FRESH MILK HOLDINGS (AFMH)

Australian Fresh Milk Holdings (AFMH) is a world class dairy farming company focused on the sustainable production of high-quality fresh milk. We are passionate about three things: our people, our cows and our farms. We apply best practice farming techniques that promote the highest standards of wellbeing and sustainability through innovation, technology and staying true to our values.

AFMH philosophies are built on a long term vision for the company. Sound investment providing sustainable results for shareholders, our environment and community into the future. AFMH is grounded with over 100 years of generational Australian dairy farming.

The Moxey Family commenced dairy farming in Richmond in 1919, later moving operations to Gooloogong in 1992 to establish what is now Moxey Farms, the original site of AFMH. While much has changed over the long history of this enterprise, the core family values that have guided the business over the year remain as strong as ever.

LAND ORANGE

Our aim is to provide quality housing estates that cater for all members of our community.

Land Orange Partnership is an Orange based land developer. We are locals working within our local community to deliver quality land developments with a difference.

Roger Heath and David Fenton who are both qualified civil engineers with Local Government and consulting backgrounds. The Partnership was created in July 2013 and they have developed and delivered numerous, quality subdivisions in Orange and surrounds.

Chris Fenton, who is also a qualified civil engineer and planner, was employed by LANDORANGE in 2023 and has become an integral part of the team. He has brought to the partnership valuable experience after working in project management and planning in Sydney for ten years.

With Roger, David and Chris working together to provide high quality residential housing estates for the future growth of Orange and district, you can be assured of finding the perfect block to build your dream home. They have a proven track record in land development and have built up a trustworthy reputation with their clients over many years.

AWCON

Leading the industry as Australia's safest civil construction company. Founded in 1998 as Australia Wide Concreting, AWCON has evolved into Australia's largest and most experienced underground civil construction company. Rebranded in 2015 as a dedicated industry specialist, AWCON is the only company in the country capable of delivering this highly specialised work at scale. Our commitment to excellence and innovation has made us the preferred choice for clients seeking top-tier construction solutions.

With a focus on safety, quality, and efficiency, AWCON delivers high-quality, tailored services for projects ranging from large-scale mining operations to critical infrastructure developments. As we continue to lead the industry, our mission remains clear—setting the standard for safety and service while driving groundbreaking projects forward.

www.awcon.com.au

INLAND DIGITAL

Local experts, global technology — building smarter workplaces for over 20 years.

For more than two decades, Inland Digital has been helping businesses, schools and government organisations across Central West NSW and Western Sydney harness the power of smarter technology.

From office printers to workflow automation and collaboration tools, we provide solutions that reduce costs, save time and improve productivity.

We started with a simple mission: to bring the latest office technology to our community. Today, that mission remains the same, but our capabilities have grown. Backed by global partners like Canon, HP, CommBox and SMART and delivered by our skilled local team, Inland Digital makes complex technology simple, accessible and effective.

PREST-AIR

HVAC and Refrigeration Experts in Orange.

Here at Prest-Air we are committed to offering reliable, high quality services to meet the needs of our customers.

Whether you need a new air conditioning or refrigeration system installed, maintenance for an existing system, or repairs to address any issues, we're here to help.

SCHUTE BELLE BADGERY LUMBY

Schute Bell Badgery Lumby is one of the most recognised and respected company names in rural Australia. The company began operating in 1906. We are all extremely proud that 2006 marked the Centenary of Schute Bell trading. It has a strong and proud tradition that has been built over the many years and one that continues today.

Schute Bell has a reputation second to none and the envy of many. Our staff are among the most highly skilled and experienced in the business, covering all areas throughout New South Wales and Queensland.

Schute Bell Queensland was formed in 2002 and provides the wool growers of Queensland the same exceptional advice and service that has been utilised by New South Wales wool growers. We pride ourselves as clip preparation specialists and this is evident in the buyer support received on our catalogues. Our aim is to maximise and improve the potential of all our clients enterprises. Schute Bell means reliability.

www.schutebell.com.au

COLTON COMPUTER TECHNOLOGIES

Colton Computer Technologies is the fastest-growing managed service provider in the Central Western region. Their vision is to create better experiences for the local community by helping them leverage technology.

They achieve this by providing relevant, reliable IT, web hosting, internet and telephony solutions that deliver the best results for client experience.

Their success is closely linked to their commitment to partnering closely with customers and partners to build strong, long-term relationships.

www.coltoncomputers.com.au

MCSIGNS

McSigns have provided quality signage since 1986. We supply a broad range of high quality goods and services ranging from the smallest safety sign or label, through to complete corporate livery programs.

Our focus is on providing small, medium and large business clients with a premium quality product and service, that helps to improve the quality of their overall business image. We believe that we do this by employing highly motivated, qualified and experienced tradespeople Remaining committed to our trade by training indentured apprentices.

McSigns has continuously employed and trained apprentices since 1992 - over 31 years.

Renascent

BULLSEYE AG

Bullseye Ag is an agricultural asset management company that was established in 2016 to provide high performing strategy and management to agricultural assets. Bullseye Ag provides its clients the confidence that their rural investment is being managed to an exceptional standard and that all opportunities and improvements are being explored.

Bullseye Ag was created on the realisation that there was a lack of specialised expertise combining on-farm knowledge and practicalities with corporate strategy, governance and performance. Bullseye Ag addresses this through professional management with staff having diverse backgrounds within the Agricultural and Finance industries.

From humble beginnings in assisting clients around Central West and Northern Rivers in NSW, Bullseye Ag now provides its exceptional service to those throughout all of NSW and QLD.
